The following were present.

Appellant : Absent. Shri Nabam Nacho represented the appellant. He states that information sought at serial no. 3, 10, 16 and 17 in the RTI application is not satisfactory.

Respondent PIO : Present. He states that information sought at:

Serial no.3 is in connection with tender. No tender was floated.

Serial no. 10 is in connection with geo tagging. Geo tag before start of work and works on going were already provided. Further geo tag on completion of the project shall be provided.

Serial no. 16 is regarding 3rd party monitoring report. No 3rd party monitoring was engaged.

Serial no.17 is regarding measurement book and final bill. In measurement book, the measurements are not done absolutely for one work. It consists of many other works. The appellant may come to the office and inspect the Measurement Book and FF Bill.

On interjection, the representative of the appellant consented to the above statement of the PIO and agreed for closure of this case.

Decision:

The commission after adverting to the facts and circumstances of the case, perusal of the records and hearing the parties, observes that the FAA - Chief Engineer (Power) Western Electrical Zone, Itanagar has heard and disposed of the case on 22.05.2026 with the order for furnishing of the remaining information to the appellant within one week. On the basis of the aforesaid argument and clarification given by the PIO, the PIO shall furnish a copy of geo tag after completion of work to the appellant, with this representative of the appellant agreed for closure of this case. Therefore, this appeal case is fit to be closed.

The appeal case is disposed of accordingly at this commission.

Order pronounced in the Open Court of this Commission today this 28th day of August' 2026. Each copy of the Judgement / Order be furnished to the parties.

Given under my hand and seal of this Commission / Court on this 28th day of August' 2026.
