The appellant, however, apparently, having failed yet again to obtain the information, preferred his second appeal before this Commission under section 19(3) of the RTI Act vide Appeal Memo dt. 02.02.2026.

This appeal was, accordingly, listed and heard on 05.08.2026 wherein the appellant, Shri Tamchi Gungte and Er. Sagge Doyum, AE-cum-APIO o/o the E.E (RWD), Yingkiong Division were present in person.

The appellant submitted that pursuant to the FAA's order dt.13.01.2026, the PIO, vide letter dt. 31.01.2026, had furnished information /replies to some of the queries but the documents furnished were incomplete, confusing and not related to his RTI application.

The APIO, on the other hand, submitted that the information sought for are under 20 different funding heads and pertain to the Financial Year -2016-17 onwards to till 2025-26, the records of which are very difficult to trace out and therefore, the appellant be directed to seek for information relating the las 2-3 financial years. The appellant, however, contended that he has sought the information pertaining to the FYs-2016-17 onwards in order to find out whether, in awarding contract works to various firms /contractors, the department had actually followed the provisions of Arunachal Pradesh District Based Entrepreneurs and Professional (Incentives, Development and Promotion) Act, 2015 which came into force from 2015-16. He also explained that the PIO's Division might not have implemented any scheme under some of the funding heads besides the Division concerned also might not have executed a particular schemes during each financial year (10).

This Commission noticed that the number of funding heads under which the documents /information have been sought were 20(twenty) and the requested information /documents relating to 10 FYs would, indeed, be voluminous. However, as clarified by the appellant, the actual records/information might not be that huge as the PIO's Division might not have implemented schemes under some of the funding heads. This Commission, therefore, directed the PIO to first find out the actual number of funding heads under which the Division has implemented schemes/projects during the period, 2016-17 onwards and till 2025-26 and accordingly, collate the requested information / documents as per the queries in the appellant's application and furnish the same to the appellant and report the compliance thereof to this Commission on 02.09.2026, the next date of hearing.

This Commission, however, received letter dt. 21.08.2026 from the appellant informing that he has received the information from the PIO with which he is satisfied and therefore, his appeal be disposed of.

In the premises as above, this appeal does not require any further intervention of this Commission and accordingly, it stands disposed of and closed and resultantly, the hearing of this appeal fixed on 02.09.2026 stands cancelled.

Given under my hand and seal of this Commission on this 21st August, 2026.
