Brief facts emerging from the appeal:

Records in the appeal reveal that the appellant had requested the PIO for the aforementioned information but failed to obtain the same within the statutory period of one month which prompted him to file appeal before the First Appellate Authority (FAA), the Chief Engineer (PWD), Eastern Zone, Namsai Govt. of A.P under section 19(1) of the RTI Act vide his Memo of Appeal dt. 15.03.2025.

Records further reveal that the FAA, upon receipt of 3(three) appeals including the present one, observed that the PIO had failed to provide any information and also did not facilitate the physical verification as requested by the appellant. The FAA, vide his order dt.28.03.2025, had, thus, observing that the appellant had sought non-specific, vague and voluminous information at one go hampering the efficient functioning of the public servant, however, directed the PIO to take necessary action to furnish the requested information to the appellant.

The extract of the FAA's order is reproduced hereunder:

"This is regarding 03 (three) nos. of appeals received by this court of the First Appellate Authority on 24/03/2025 under Section 19(1) of the RTI Act- 2005 which is in reference to 03(three) nos. of original RTI applications all dated 23/01/2025 of Shri Bachunum Yun of Village Rock Line Tezu, P.O. /P.S.-Tezu, District-Lohit, (A.P.), which was reportedly submitted to your office.

It appears from the content of the appeals that no communication is made from your end. Also, you failed to provide any of the information along with physical verification sought [for 02(two) nos. of RTI applications) under 2(j) of the RTI Act 2005 by the applicant/appellant. It is also evident that the Applicant has sought non specific, vague & a vast number of information at a single time which is Impractical & obstructs the efficient functioning of a public authority. However, it is also Important that the PIO must ensure clear and timely communication & furnishing of information within the stipulated time limit as per the provisions of the RTI Act -2005

As such, it is requested to take necessary action as sought by the Applicant/Appellant, as available/applicable/admissible under the provisions of the RTI Act-2005. A copy of appeal along with RTI application is enclosed for your necessary action, and to intimate the course of action taken to the undersigned within 15(fifteen) days of the receipt of this letter.

But the appellant, apparently, having failed yet again to obtain the information, preferred second appeal before this Commission under section 19(3) of the RTI Act vide Appeal Memo dt. 02.06.2025.

Hearing and decision:

This appeal was, accordingly, listed and heard on 10.04.2026 wherein the PIO, Er. Shri Jikum Hiri, E.E appeared through VC while the appellant was present in person and this Commission, after hearing the parties, had passed the following order:

"The appellant, while reiterating his demand for the requested information /documents from the PIO, pleaded for an appropriate direction to the PIO to furnish the information as requested including taking penal action under the RTI Act. The PIO, on the other hand, submitted that upon receipt of the RTI applications from the appellant, his office had advised the appellant to deposit the cost of documents and collect the same but the appellant, instead of depositing and collecting the documents, approached the FAA and even after the order dt.28.03.2025, passed by the FAA, the appellant did not turn up in his office but filed his 2nd appeal before this Commission. But the PIO did not produce any documentary evidence of his advice to the appellant for payment of the cost of documents sought for by the appellant which is the only pertinent question to enable this Commission to proceed for further adjudication of the instant appeal.

This Commission, in the premises as above, therefore, deems it appropriate to peruse and consider the documentary proof of PIO's advising the appellant within the prescribed period of 1(one) month, as claimed by the PIO and accordingly, adjourns this appeal to 15.05.2026 when the PIO or APIO or representative is directed to be present with the documentary evidence as aforesaid."

The hearing of this, however, could not be held on 15.05.2026 due to Bandh in the Itanagar Capital Region and hence, listed on 03.07.2026.

On 03.07.2026, none of the parties appeared which this Commission viewed very seriously, particularly, the absence of the appellant. Hence, the hearing was adjourned to today 12.08.26 with warning to the appellant that if he does not appear again, this appeal shall stand closed as being no longer interested by him.

Today on 12.08.2026, the appellant is again absent without any intimation. But the PIO, Er. Shri Jikum Hiri, EE appeared through VC who reiterated that the appellant did not turn up to collect the information/document which are ready.

This Commission, upon hearing the PIO and taking into account the repeated absence of the appellant in the hearing despite warning finds this case fit to be disposed of and closed as not being interested and pursued by the appellant. Consequently, this appeal stands disposed of and closed.

Given under my hand and seal of this Commission on this 12th August, 2026.
