Brief facts emerging from the appeal :

Records emerging from the appeal disclose that the Appellant, Shri Ratan Chetia had requested the PIO for the aforementioned information/documents but failed to obtain the same which prompted him to appeal before the Director of School Education, Namsai, Govt. of AP, the First Appellate Authority (FAA) under Section 19 (1) of the RTI Act, 2005 vide Memo of Appeal Dated 22.01.2025. However, the appellant having failed yet again to obtain the information preferred 2nd appeal before this Commission under Section 19 (3) of the RTI Act. 2005 vide Memo of Appeal dated 17.03.2025.

Record further reveal that FAA, vide letter No. DSE (RTI) 182/2025 Dt. 03.02.2025, had directed the PIO-cum-DDSE, Namsai to provide information as sought by the appellant as per his RTI application. However, there is no record of further hearing of this appeal by the FAA. But the appellant preferred his second appeal for adjudication by this Commission under section 19(3) of the RTI Act.

Hearing and decision:

Accordingly, this appeal was heard on 06.08.2025 wherein both the appellant, Shri Ratan Chetia and the APIO, Shri J. Gamlin, District Project Co-ordinator (DPC) attended the hearing through video conference.

This Commission after hearing the parties had passed the following order:

"In adverting to the appellant's request for the copies of documents of selected candidates and their marksheets/score, it is deemed appropriate to refer to the ruling contained in para 28 of the Hon'ble Supreme Court judgement dt. 09.08.2011 in Civil Appeal No.6454 of 2011 (arising out of SLP (c) No.7526/2009) (Central Board of School Education & ors. Vs. Aditya Bandopadhyaya & ors. which is extracted hereunder:

" 28. When an examining body engages the services of an examiner to evaluate the answer-books, the examining body expects the examiner not to disclose the information regarding evaluation to anyone other than the examining body. Similarly the examiner also expects that his name and particulars would not be disclosed to the candidates whose answer-books are evaluated by him. In the event of such information being made known, a disgruntled examinee who is not satisfied with the evaluation of the answer books, may act to the prejudice of the examiner by attempting to endanger his physical safety. Further, any apprehension on the part of the examiner that there may be danger to his physical safety, if his identity becomes known to the examinees, may come in the way of effective discharge of his duties.

The above applies not only to the examiner, but also to the scrutiniser, co-ordinator, and head-examiner who deal with the answer book. The answer book usually contains not only the signature and code number of the examiner, but also the signatures and code number of the scrutinizer / coordinator/head examiner.

The information as to the names or particulars of the examiners /co-ordinators / scrutinisers / head examiners are therefore exempted from disclosure under section 8(1) (g) of RTI Act. on the ground that if such information is disclosed it may endanger their physical safety. Therefore, if the examinees are to be given access to evaluated answer-books either by permitting inspection or by granting certified copies, such access will have to be given only to that part of the answer-book which does not contain any information or signature of the examiners/coordinators/scrutinisers / head examiners, exempted from disclosure under section 8(1)g) of RTI Act.

Those portions of the answer-books which contain information regarding the examiners /co-ordinators / scrutinisers /head examiners or which may disclose their identity with reference to signature or initials, shall have to be removed, covered, or otherwise severed from the non-exempted part of the answer-books, under section 10 of RTT Act. ”

This Commission, relying on the principle of law settled by the Apex Court as above, concluded that the names of the Board members who conducted the interview can not be furnished to the appellant as the same is exempted under section 8(1)(g) of the RTI Act. However, the PIO was directed to disclose/furnish the marks scored by the selected candidates and the proceedings of the selection Board **minus** the names of the Board Members to the appellant within 2(two) weeks and the appellant was given one week period from the receipt of the same to intimate the receipt thereof.

The appellant, Shri Ratan Chutia, vide his letter dt.25.08.2025 submitted that this Commission had passed the aforesaid order by wrongly applying the ratio of the judgement passed by the Hon'ble Apex Court in CBSE Vs. Aditya Bandopadhyaya case which pertains to academic examiners evaluating the answer sheets whereas his case pertains to selection of candidates for public recruitment. In his submission, the appellant also cited some CIC cases pertaining to disclosure of the names and designation of the Board members under section 8(1)(j) of the RTI Act.

In the premises above, this appeal was listed again on 17.09.2025. However, during the course of hearing of appellant's another appeal against the same PIO, o/o the District Project Officer-cum-DDSE, ISSE, Samagra Shiksha District Society, Namsai in case **No.APIC- 278/2025**, both the parties pleaded that this appeal may also be heard today as the PIO had furnished the requested documents such as the qualification / eligibility of members of selection committee/board **minus** their names (Sl. No.4) and the list of all selected candidates for the interview along with their respective scores (Sl. No.7).

As requested the said appeal is also heard today on 12.09.2025 wherein the PIO, producing the copies of aforesaid documents submitted that as directed the appellant has been provided with the requested documents. The appellant, on the other hand, while acknowledging the receipt of the said documents reiterated his earlier submission that the ratio of the judgement passed by the Hon'ble Apex Court in CBSE Vs. Aditya Bandopadhyaya case can not be applied in his case as the ruling in the said case pertains to academic examiners evaluating the answer sheets whereas his case pertains to selection of candidates for public recruitment.

This Commission is, however, inclined to stick to its earlier observation that the ratio of the CBSE case is squarely applicable to this instant case in so far as the disclosure of the names of Selection Board /Committee members are concerned for the simple reason that although the exams/tests in the two cases are for different purposes, the principle of law settled by the Hon'ble Supreme Court in the said CBSE case applies to both the situations and as such, this Commission hereby reiterates its ruling that the names of the selection Board/Committee are exempted from disclosure under clause(g) of section 8(1) of the RTI Act 2005. Resultantly, the contention of the appellant does not make out a case for favourable consideration and hence, rejected.

This appeal stands disposed of, accordingly, and the hearing listed on 17.09.2025 stands cancelled.

Given under my hand and seal of this Commission on this 12th Sept., 2025.
