**Relevant facts emerging during hearing:**

The following were present -

**Appellant** : Absent.

**Respondent PIO** : Present.

**Respondent FAA** : Absent.

Statement of Appellant : --

Statement of PIO : PIO states that the information sought is voluminous. So, the information could not be furnished to the appellant within prescribed time as per RTI Act. He further states that First Appellate Authority has not heard the appeal case.

Statement of FAA : --

**Decision:**

The Commission after adverting to the facts and circumstances of the case, hearing and perusal of the records, observes that FAA has not disposed of the first appeal filed to him by following statutory procedure laid down in the Arunachal Pradesh Right to Information (Appeal Procedure) Rules, 2005. So, this appeal case is decided and determined in the absence of the FAA.

*As laid down at para-38 of the Guidelines for the FAA issued by the GoI and the State Govt. OM No. AR-111/2008 Dated 21<sup>st</sup> August, 2008, adjudication on the appeals under RTI Act is a quasi-judicial function. It is, therefore, necessary that the Appellate Authority should see to it that the justice is not only done but it should also appear to have been done. In order to do so, the order passed by the appellate authority should be a speaking order giving justification for the decision arrived at.*

The instant appeal case is remanded to First Appellate Authority (FAA). Therefore, the FAA - **CE PHE & WS (EZ) Itanagar**, following the principle of natural justice, shall conduct hearing giving fair and equal opportunity to both the appellant and the PIO and thereafter pass reasoned and speaking order on merit within two weeks from the date of receipt of this order.

**The appeal is disposed of accordingly at Commission.**
