Relevant facts emerging during hearing:

The following were present -

Appellant	:	Present
Respondent PIO	:	Absent
Respondent FAA	:	Absent
Statement of Appellant	:	Sates that neither the PIO has furnished information nor the FAA has heard the first appeal within the prescribed time period in the RTI Act,2005.
Statement of PIO	:	--
Statement of FAA	:	--

Decision:

The Commission after adverting to the facts and circumstances of the case, hearing and perusal of the records, observes that FAA has not disposed of the first appeal filed to him by following statutory procedure laid down in the Arunachal Pradesh Right to Information (Appeal Procedure) Rules, 2005. So, this appeal case is decided and determined in the absence of the PIO & FAA as made known to them in the hearing notice.

As laid down at para-38 of the Guidelines for the FAA issued by the GoI and the State Govt. OM No. AR-111/2008 Dated 21st August, 2008,. adjudication on the

appeals under RTI Act is a quasi-judicial function. It is, therefore, necessary that the Appellate Authority should see to it that the justice is not only done but it should also appear to have been done. In order to do so, the order passed by the appellate authority should be a speaking order giving justification for the decision arrived at.

The instant appeal case is remanded to First Appellate Authority (FAA). Therefore, the FAA - **DRDA Yupia**, following the principle of natural justice, shall conduct hearing giving fair and equal opportunity to both the appellant and the PIO and thereafter pass reasoned and speaking order on merit within three weeks from the date of receipt of this order.

Liberty is given to the appellant to file 2nd appeal afresh if not satisfy with the decision of the FAA / or PIO has not provided satisfactory information. Fee for such 2nd appeal is exempted.

The appeal is disposed of accordingly at Commission.
