Brief facts emerging from the appeal:

The records emerging from the appeal disclosed that the appellants had requested the PIO for the aforementioned information but failed to obtain the same which prompted them to approach the First Appellate Authority (FAA), the Chief Engineer (PWD) Central Zone-A, Govt. of A.P, vide their Memo of Appeal dt.25.09.2024. But having failed yet again to obtain the requested information from the PIO, they filed their 2nd appeal before this Commission under section 19(3) of the RTI Act vide Memo of Appeal dt.19.11.2024.

This appeal was, accordingly, registered as **APIC- 341/2024** and listed for hearing 4(four) times on 15.01.2025, 21.03.2025, 11.04.2025 and 14.05.2025 (today).

Hearing and decision:

This Commission on 15.01.2025, upon hearing the parties, had passed the following direction:

"This Commission, on careful perusal of the 22 (Twenty two) point information sought by the Appellant, found some of the points are infact repetitive while some are not relevant. Therefore, this Commission suggested the appellant to reduce his demand for the information and priorities the ones which are more important which he agreed to. The appellant has, thus, not pressed for the following:

7. Sl. No. 8 (as the it is repetition of Sl. No.6);
8. Sl. No.13 (being repetition of Sl.6);
9. Sl. No.19 and 20 (not relevant)

The appellant also agreed not to press for the information which are not available with the PIO's Division. This Commission, however, directs the PIO to make sincere effort to collate and collect whatever information as sought for by the appellant and furnish to him and also furnish specific reasons against those which are not available in his Division.

This Commission observes that the appellant has filed another RTI application of same dt.22.08.2024 before the same PIO regarding the schemes / projects implemented under the SIDF during the same financial year, 2020-21 which has been registered in this Commission as APIC-347/2024. This Commission also finds that the submission of the parties are also same in both the appeals. Therefore, this Commission deems it appropriate to direct the PIO to comply with the above direction within 2(two) months from the date of receipt of this order i.e one month after compliance of the direction passed in APIC-347/24.

In other words, the information sought for in respect of the SIDF(2020-21) shall be furnished within one month from the date of receipt of order passed in APIC-347/24 and the information sought for in respect of the RE/BE (2020-21) shall be furnished within one month thereafter.

List this appeal on 21.03.2025 (Friday) at 2 pm."

In the hearing on 21.03.2025 none of the parties appeared. This Commission, taking a serious note on the absence of the parties, the appellant in particular, without any information, had warned the Appellant that if he fails to appear in the next date of hearing also, the appeal shall be closed as not being interest by him for further adjudication.

In the next hearing on 11.04.2025, both the PIO and the appellant were absent but he sent a letter dt.11.04.2024 informing that he is having a medical emergency case and requested for adjournment of the case to an appropriate date. The appeal was, thus, listed again today on 14th May, 2025. But today also both the appellant and the PIO are absent without any intimation.

This continued absence of the parties, particularly, the appellants shows that he is not interested in the adjudication of this appeal any further. As such, no further hearing of the appeal is required in this Commission. Resultantly, this appeal stands disposed of and closed.

Given under my hand and seal of this Commission on this 14th May, 2025.
