Decision:

The commission after adverting to the facts and circumstances of the case, perusal of the records and hearing observes that the PIO has conveyed to the appellant in writing the non-availability of information in his office. The PIO has confirmed in his statement today in this commission court that the information sought "Seeking information of up to date details of the Old Water Supply Tanks under PHE and W/S department in Lekang CD Block" for the period from 2010 to 2023 is not available in his office.

I am of the opinion that since the PIO has clearly stated that the information sought is not available in his office, it is fit case to close this appeal case.

The appeal case is closed and disposed of accordingly at commission.
