Decision:

The Commission after adverting to the facts and circumstances of the case, hearing the parties and perusal of the records, observes that FAA has not disposed of the first appeal filed to him. So this appeal case is decided and determined ex-parte.

As laid down at para-38 of the Guidelines for the FAA issued by the GoI and the State Govt. OM No. AR-111/2008 Dated 21st August, 2008,. adjudication on the appeals under RTI Act is a quasi-judicial function. It is, therefore, necessary that the Appellate Authority should see to it that the justice is not only done but it should also appear to have been done. In order to do so, the order passed by the appellate authority should be a speaking order giving justification for the decision arrived at.

The instant appeal case is remanded to First Appellate Authority. Therefore, the FAA – DC, Basar, Leparada District, following the principle of natural justice, shall conduct hearing giving fair and equal opportunity to both the appellant and the PIO and thereafter pass reasoned and speaking order on merit within three weeks from the date of receipt of this order.

The appeal is disposed of accordingly at Commission.
