Decision:

The Commission after adverting to the facts and circumstances of the case, hearing the parties and perusal of the records, observes that FAA has not disposed of the first appeal filed to him by following statutory procedure laid down in the Arunachal Pradesh Right to Information (Appeal Procedure) Rules, 2005. So, this appeal case is decided and determined in the absence of appellant and FAA as made known to them in the hearing notice.

As laid down at para-38 of the Guidelines for the FAA issued by the GoI and the State Govt. OM No. AR-111/2008 Dated 21st August, 2008, adjudication on the appeals under RTI Act is a quasi-judicial function. It is, therefore, necessary that the Appellate Authority should see to it that the justice is not only done but it should also appear to have been done. In order to do so, the order passed by the appellate authority should be a speaking order giving justification for the decision arrived at.

Therefore, the instant appeal case is remanded to First Appellate Authority. Therefore, the **FAA – Chief Engineer, RWD, (W/Z), Itanagar, Govt. of AP.**, following the principle of natural justice, shall conduct hearing giving fair and equal opportunity to both the appellant and the PIO and thereafter pass reasoned and speaking order on merit within two weeks from the date of receipt of this order i.e **on or before 01.09. 2025.**

The appellant is at liberty to file 2nd appeal afresh:

1. If the Appellant is not satisfied with the information furnished to him by PIO based on the judgement order passed by the FAA.
2. If the FAA has denied the requested information based on specific exemptions/ grounds provided under the RTI Act, 2005.

Fee for such 2nd appeal, if done, shall be exempted.
